

**DRESS CODE**

1. Criteria:

The attire of an employee during school hours must be judged in light of the following:

- A. Dress should reflect the professional position of the employee.
- B. Dress should be exemplary for the students with whom the professional employee works.
- C. Clothing should be appropriate to the assignment of the employee.
- D. Personal protective equipment (e.g., safety glasses, protective footwear, earplugs) provided by the employer shall be worn/utilized at all times for the safety and protection of the employee while performing his/her job functions/tasks requiring such PPE.

2. Application:

Every attempt should be made on all levels to ensure that the above criteria are applied equitably and consistently throughout the school division.

The administration at the most immediate level reserves the right to define inappropriate dress.
