

SUPPORT STAFF ASSIGNMENTS AND TRANSFERS

Support staff shall be assigned to positions for which their qualifications meet the needs of the school division's operations.

Support staff personnel may request a transfer to a position within their area of competence and for which they are qualified. Support staff personnel may be transferred to positions for which their qualifications best meet the needs of the school division.

The Superintendent has the authority at any time to assign and to transfer support staff.

The appropriate reports and explanations of these assignments and transfers will be made to the School Board.
