

STUDENT TRANSFERS

1. An elementary student transferring to a public school in Gloucester County from a private or an out-of-district school is enrolled in the grade recommended by the previous school. Final grade placement in the receiving school, however, is determined by the principal.

2. Students transferring to another school will be given a transfer/withdrawal form, or the form will be included in the cumulative records. This form shows attendance records and grades to the date of withdrawal.
