

CONSULTING ACTIVITIES

Certificated and supervisory personnel requested to serve as consultants in other school systems or educational institutions may do so with the permission of the Superintendent of Schools. In general, the School Board subscribes to the principle that no employee will be paid twice for the same work period. Certificated personnel serving as consultants may do so only through use of leave time with pay, leave time without pay, or such leave which, in the judgment of the Superintendent of Schools, is in keeping with this policy.
